

## LATEST NEWS

Kintyre Way Relay 2008 took place in ideal conditions - dry underfoot after a week of hot weather, but reasonably cool on the day itself.

Results for the 17 runners are on the results page.

Of the five in the walking event, four did the 22 miles from Tarbert to Clachan, and one kept going to complete the 31 miles to Tayinloan. Well done, Jackie!

Most people came back to Tayinloan Village Hall for the evening, where we were joined by helpers and locals for the presentation of certificates, a good feed, and the ceilidh-dance. Even the runners found a renewed burst of energy to join in the knees-up!

Many thanks to all the runners, supporters, walkers, timekeepers, marshals, drivers, tea-makers and everyone else who helped to make this a successful day.
